

GODFREY'S FITTING SERVICE

QUALITY POLICY

- Godfrey's Fitting Service offers quality services to all of their trade clientele.
- Our mission is to complete all projects large or small, on time and within budget.
- Maintaining a level of quality that meets the clients' requirements.
- To achieve this – our staff is committed to the principals of quality workmanship and where possible support with the aid of technical literature.
- Commitment to quality at all levels is essential to fulfilling our mission
- All personnel are required to actively participate in the Dealership training courses and are encouraged to enroll in trade related courses.
